Sir:

In response to the Notice of Incomplete Reply dated March 28, 2002, Applicants submit herewith an Abstract of the technical disclosure for the above-identified invention for inclusion with the present application.

Applicants also submit the attached executed Small Entity Declaration for the above-identified application.

A petition for extension of time and response to Notice of Missing Requirements was filed on February 22, 2002, with a two month extension of time fee of \$400.00, as evidenced by the PTO-date-stamped return receipt post card (copy enclosed). Since applicant is entitled to small entity status, a Request for Refund was submitted to the Commission on March 13, 2002.

Applicant now submits a check to cover the balance for the four-month extension of time fee in the amount of \$520.00. Accordingly, the period for response is extended to run until
